Bat

Batting pads

Batting gloves

Batting helmet

Batting thigh guard

Other specialist equipment as required

Tennis: racquet and tennis shoes

Athletics: spikes

All other sports will require the standard games items or have separate specialized equipment lists, which are available from the Master in Charge.

PE lessons:

We are able to supply all equipment for PE lessons, including items such as badminton racquets and basketballs. However if your son is intending to play a sport for games not listed then we would encourage them to use their own equipment where possible, as the PE equipment is limited.
