Introduction from the Master, Helen Pike

Magdalen College School is a remarkable place. We are now well into our sixth century, and our former pupils include scholars, war heroes, musicians, Olympians, two Nobel Prize laureates, a Hollywood film director, and a saint. Our success in public examinations, in securing places at top universities, and in an astonishing array of extra-curricular pursuits ensures that we continue this proud tradition. We do so by nurturing the individual potential of each of our pupils, and above all we believe that learning is as fun as it is fulfilling.

Magdalen College School was founded in 1480 by William of Waynflete: schoolmaster, bishop of Winchester and Lord Chancellor of England. Being of humble origins, Waynflete was determined that others of ability should be given the opportunity to learn, to serve and to prosper as he did. And so MCS offers a transformative education in our global university city, the community to which we contribute.

We attract and retain the best staff and MCS is a stimulating, welcoming and thriving environment in which both to learn and to work.

A lot happens at MCS. The various sections of our website (www.mcsoxford.org) including the recent [News](#) will give you an impression of our school.

Thank you for your interest.

H. C. Pike

The successful candidate will have demonstrable experience in a similar role and will be required to teach pupils from the Second Form (Year 7) up to A Level and Oxbridge preparation, with the energy, enthusiasm, experience and expertise

to contribute significantly to the School.

The Deputy Head, Education Development will report to the Master.

Benefits

MCS currently has its own salary scale, and salaries are more generous than those in the maintained sector; there is also a relocation allowance on a sliding scale, by agreement with the Master and Bursary, and dependent on current location. The school offers private medical cover and subscribes to the Teachers' Pension Scheme, in which all teaching staff are auto-enrolled – there is, of course, an opt out, should this be preferred. School fee remission for full time staff sons (from Junior through to Sixth Form) and staff daughters (Sixth Form) who pass entrance tests for the school is currently 50%. In addition, Headington Girls School currently allows full-time staff daughters who pass entrance tests for the school a 20% remission. (Headington fee remission is only available to staff with an FTE of 50% or over). All benefits are *pro rata* for part time staff, with the exception of private medical cover, which is a 100% benefit. In recent years, the school has introduced its own Waynflete Teaching Certificate scheme and successful candidates without a formal PGCE or equivalent, who meet the necessary criteria, may be invited to join this scheme. Please note that MCS is an inner-city school, with limited parking. Candidates who have been offered a post will be invited to make representations in the preceding Trinity Term to the Usher (Senior Deputy Head) for a parking space.
