Dear Parents,

Lilium (PSHCE): Relationships and Sex Education

Friday 27th April

As part of the school's Lilium (PSHCE) programme, the L4th will be attending will an introductory talk on Relationships and Sex Education on Friday 27th April.

The talk will be given by speakers new to the school; Deana Puccio and Allison Havey from The RAP project. They will be presenting on 'Social Skills for Life'; covering topics of personal safety and consent; and looking at online behaviours including sexting and pornography and how these impact attitudes, behaviours and expectations. For more information, see their website: www.theraproject.co.uk.

A second RSE session later in the term will be led by a local team from Oxfordshire County Council; more details will be sent out nearer the time.

It is a statutory right that parents may withdraw their children from Relationships and Sex Education. If you wish to do this, please contact me as soon as possible and also contact the Head of Year, Ben Cole (bcole@mcsoxford.org) so that we can make alternative arrangements for your son during the session. Please note that withdrawing your son from this session will not lead to his automatic withdrawal from future sessions on this topic. If you have any questions about the seminar, please do not hesitate to contact me.

With best wishes,

Hannah Stammers
