

MAGDALEN COLLEGE SCHOOL

From the Usher T. M. G. J. Beaumont MA

17th May 2018

Dear Parents,

It has been a busy day for the youngest and the eldest pupils in the school. The JS has hosted Primary School Cricket and Tennis Day, whilst the U6th, and their parents, have embarked on Leavers' events. It is always a wistful time of year, the sadness of departure tempered by the knowledge that MCS will always be with those who prepare to go on into their adult lives. In the immediate term, we wish the pupils the very best for their exams and there is no small comfort in knowing that it is not quite goodbye just yet.

Thank you to all the parents who help with the Second Hand Shop and with Lost Property. Opening times for the Shop are 3.30-4.30pm on Thursday; Lost Property is open 1.30-2.30pm Monday; and on Thursday 1.30-2.30pm & 3.50-4.30pm. Lots of time and effort go into making all this work, and we are very grateful. Please be aware that Lost Property is listed on the Parent Portal, so that if your son and daughter is unsure if an item has been found you can look this up via that service. I know that tracking things down can be a thankless task and, if I might be so bold, sometimes the pupils are not quite as proactive as they might be in this regard.

If you can tear yourself away from the wedding this Saturday, the weather looks set to bless a packed tennis and cricket fixture list. The sailing club, fresh from the 1st crew becoming the first school side to win the U21 Wilson trophy, will be action although this is further afield. I hope you all have a good weekend.

With very best wishes,
